

PLASTIC BOTTLE RECYCLING

COLLECTION SERVICE

Shropshire Council is introducing a plastic bottle recycling collection service in the former North Shropshire District Council area from

Tuesday 4th May 2010

The service is being introduced throughout Shropshire and should be provided to all households by the Summer of 2011.

Roadshows will be held to provide residents with the opportunity to learn about the service and ask any questions (details below).

Households will also receive nearer the time, literature specific to the collection of plastic bottles and a collection date calendar for the coming 12 months.

There are no changes to collection days as a result of adding plastic bottles to the service.
