Subject: Join CPRE in 2019

Dear Clerk,

I want to wish you and your Council a happy new year!

Have you given thought to what your PC's new year's resolutions will be yet? If not I have a good one for you; **come and join the Campaign to Protect Rural England!**

By supporting CPRE your Council supports a national campaign to protect green spaces and countryside that all of our parishioners benefit from. Please watch this video to see more about why we do, what we do: <https://youtu.be/7ALTUUYGab0>

Parish councils can call on CPRE Shropshire and the national CPRE office for advice and support on a full range of planning matters, as well as on issues relating to public rights of way, litter and fly-tipping, light pollution, wind turbines, pylons, quiet lanes and hedgerow protection.

CPRE Shropshire also has volunteer planning validators and a Planning Consultant who keep an eye on planning matters and comment on, support or object to planning applications.

For just £36 a year, parish councils can benefit from CPRE's invaluable range of on-line and print publications such as **Fieldwork**, which gives practical help, information and updates on planning and countryside issues.

CPRE also offers on-line guidance to planning questions, glossary of planning terms and links to government documents through our **Planning Help** website.

Over 19 parish councils and amenity groups in the county are already members of CPRE Shropshire and to join them, and us, find our Parish Council Membership Form attached to this email.

Please ensure you put 'SHROPSHIRE' as your chosen county branch on the form.

I would really appreciate it if you could bring this to the attention of your members at the next suitable meeting.

Best wishes,

Connor Furnival | Vice Chair - CPRE Shropshire
