Agenda item 11a Wem RBL

Good afternoon

I have just had a meeting with the Chairman and Secretary of the WRBL re our plans for celebrating the above.

It is proposed that everyone who is taking part (much like the Remembrance Day Parade) will meet on Wem Car Park at 10.15 and then March to the Parish Church at 10.30. There will, hopefully, be a rendition of a new Celebratory piece of music played and then everyone will go into the church for a Service taken by Rev. John Jukes.

I previously contacted you about **road closure for the Parade and hope that you will be able to do this for the WRBL. We propose closure from 10.30 to 11.15 if this is possible please.** After the church Service people can make their own way so there shouldn't be a need for another closure, unless you advise differently.

We wish to extend the invitation to the Mayor and Wem Town Councillors and Council staff to the service and afterwards at the United Services Club for light refreshments.

Our next WRBL meeting is on the 12th March if you would like to attend. Those of us involved in organising the **27th April** are meeting at the earlier time of 6.45pm and the official meeting for all members is at 7.30pm in the USC.

Kind regards

Pauline
