Review Body

Electoral Review: Information Zone

We want to hear the views of local people and organisations for a new pattern of electoral divisions in Shropshire. The deadline is 30 January 2023.

You can give us your views by going to the [consultation zone for Shropshire](#). The consultation zone also contains interactive maps.

Our independent electoral reviews recommend new patterns of electoral divisions so that each councillor represents about the same number of electors. We also aim to ensure that the pattern of electoral divisions reflect community ties and identities and promotes effective local government.

Reviews involve several consultations where we ask local people and organisations to get involved. We actively encourage this because we believe local input helps us deliver the best electoral arrangements. You can tell others about the review by using the 'share' buttons on the top right of this page.

You can see more information by expanding the sections below using the '+' buttons on the right.
