MOTION: INSERT PROPODSED WORDING TO APPEAR ON THE AGENDA.

“To consider...” “To note...” “To review...” “To agree....”

I would like to review in open council the possibility on looking at the future use of the Morgan Library following extensive work being completed on the building.

BACKGROUND INFORMATION - insert as much information as possible so that councillors have the detail that they need to make an informed decision.

I have visited the Morgan Library at the beginning of May 2025 to establish what work has been carried out. The building has been made watertight by renovations to the roof Walls and some replacement windows. The gable end nearest the town centre has been rebuilt due to some structural issues and this is now complete and safe. The rear wall to the main library area has been replanted now the damp issue has been irradiated. The parquet flooring still needs some remedial work but in the eyes of the builder is wholly salvageable by replacing some rotten blocks and then sanding the whole floor back and resealing it. I feel that this is worth the Town Councils consideration again in looking to see if this would meet our future needs as a home fir the council.

BACKGROUND DOCUMENTS - list names of any documents or supporting information to be attached. All documents must be submitted 10 days before the meeting.

None at present.

COSTS - insert detail of costs associated with the decision that you are asking the council to make (if known). Copies of quotations should be attached.

Not known at this time and to form part the consideration.
