**Subject:** Boundary Commission for England 2023 Boundary Review

Dear colleagues,

The Boundary Commission for England (BCE) is redrawing constituency boundaries in order to rebalance the number of electors represented by each MP, and a final consultation on proposed new constituencies is now open. A new revised map of constituency proposals, which takes into account feedback sent in by the public on the initial proposals, has been published on the consultation website <https://www.bcereviews.org.uk/>

BCE would like to hear from local councils in this final consultation, which is open until 5 December, so we would be grateful if you could please share details with your members. To help you do this please see [BCE's Partner Toolkit](#) with a range of resources including sample bulletin and website text, blogpost, sample posts for social media, posters and flyers.

If you have any questions about either the consultation or the Partner Toolkit, please don't hesitate to get in touch.

Kind Regards,

Jessica
