Subject: HSBC in the community

Good morning,

By way of introduction, my name is Dani and I look after the branches of HSBC in Shropshire. We're really working on being part of the communities that we serve, and I recognise we don't have a branch in Wem. What we are able to do now, is host a community pop-up branch where people can come by and see us, we can help them with whatever they need. We can also run education sessions such as staying safe online to help raise awareness of scams and fraud online. These sessions aren't HSBC specific – they are more general awareness.

Do you think this is something that the residents of Wem would be interested in or would benefit from?

I'm looking for a venue to host this, and wondered whether you could point me in the right direction with any suggestions?

Thank you in advance and look forward to hearing from you. It would be fantastic if we could work together on this for the benefit of the community.

Kind regards

Daniella Rudd
