

Dear Mrs O'Hagan, Wem Town Council

I am pleased to advise that the Local Policing Community Charter from West Mercia Police now has now been launched.

In order to form an effective contract with your parish / town council we are required to consult with you on the various phases

In the initial stage of this consultation we are looking for each parish / town council to identify to us their top 3 concerns within their areas.

This will lead into the second phase which requires West Mercia Police to have an understanding of the amount of time each parish / town council feel the Safer Neighbourhood Team should spend in their area.

With regards to the second phase of this consultation please could an indication be given of the amount of time, in hours per month, that your parish or town council would realistically expect your relevant Safer Neighbourhood Team to be visible within your area.

A copy of the charter is attached for you to review and share with your elected members.

Kind Regards
Claire
