Agenda item 15a The Wheatfields

Penny

As per our conversation today re: the walkthrough from pantulf road to wheatfields play park, As my suggestion may help the movement of the discussions of a traffic bollard being installed, I myself and my company are prepared to make a donation towards this if there is an issue of funding, I'm sure that if the residents of pantulf rd , kynaston drive and barleyfieds are asked about a donation /funding then that would be forthcoming, as for the larger accessible open area on barley fields this could also be mentioned.

I know Wem tc get a % of council tax and some residents may feel that this is not acceptable, BUT I'm sure that if it is appropriately put in maybe a pamphlet, or a fundraising exercise which must be transparent then I'm sure the funding can be achieved.

Regards
