

Secretary to the Friends of Whitchurch Road Cemetery

26th September 2018

Dear Town Councillors and the Royal British Legion,

I am writing to invite you, if possible to contribute towards a new park bench - seating which we are hoping to erect at the Whitchurch Road Cemetery.

At our last meeting held on Monday 24th September 2018, it was suggested that it would be good for us to commemorate the centenary of the First World War with suitable metal seating. Approximate cost £675 + VAT + cost of a base.

As you are aware we are privileged to have many war graves within the cemetery and it would be very fitting for the town to contribute towards this commemoration.

Many thanks in anticipation of your consideration.

David Boddy

THE ECKFORD SWEET PEA SOCIETY OF WEM

Mrs. P.E. O'Hagan,
Town Clerk and Treasurer,
Wem Town Council,
Edinburgh House,
New Street, WEM.
SY4 5DB.

8th October, 2018.

Dear Mrs. O'Hagan,

At our last meeting a decision was reached that our Society would no longer continue in its present form and as Wem Town Council has always been so generous and supportive I was asked to tell you before it became public knowledge.

Like many other organisations we have tried for some years now to get younger people interested but to no avail. We have decided that next years show will be our last, we will continue to exist as The Eckford Sweet Pea Society but in a different way. We will promote the old fashioned Eckford Sweet Pea developed in Wem at every opportunity, possibly with exhibitions, stalls etc. and will also continue to stage large scale displays at events such as Arley each year.

We are now looking at ways in which we can still continue with some kind of membership society/club with perhaps an annual newsletter etc. but this will not be finalised until possibly after next years show.

On behalf of all our Officers, Committee, supporters and helpers I would once again thank you for all your help in the past and hope to see some of you at our final show next year.

Yours sincerely,

Wyllis Turner
Chairman

high speed internet

Mrs Penny O'Hagan
Edinburgh House
New Street
Wem
Shropshire
SY4 5DB

Dear Mrs Penny O'Hagan,

Re. Superfast Broadband for Wem Town Council

In partnership with Connecting Shropshire, we're extending our broadband network to reach even more communities.

As you may already be aware, we operate a superfast rural broadband network in your area – bringing speeds of up to 30Mbps to hard-to-reach places in Shropshire.

We would like to make the Airband team available to speak at Wem Town Council meetings. Our friendly professionals would be happy to attend any suitable meetings.

We can also arrange community meetings in any village where there is interest in getting residents and businesses connected to our network, or where people would like a project update or Q&A session.

Airband's key focus is on creating stronger and more connected communities, so we're also keen to get the word out about our free installations for community hubs. We have installed several free wi-fi systems into church halls, community centres and local meeting places across our UK network – most recently at the Village Hall in Caynham, near Ludlow.

Our offer is open to any village covered by the Airband network and we hope that the Wem Town Council will help us identify suitable candidates. To check coverage, please visit our website at airband.co.uk/coverage, or alternatively get in touch with us on the details below.

If we can be of any help or you are interested in us attending your Wem Town Council Meeting, please get in touch, we would love to hear from you.

With many thanks and kind regards,

Simon
