Agenda item 20b Purchase of Ukraine Flags

Dear All

This afternoon I drove through Audlem on my way to Bridgemere Garden Centre. As last year the whole town is decorated with Union Jack Flags however, this year every other flag is Ukrainian in support of what is happening over there. I would like to ask my fellow Town Councillors, is this not something we could do as well. Once the Jubilee celebrations are over, could we not replace every other flag on the High Street with a Ukrainian one and show our solidarity with the Ukrainian people. If we need to gauge the towns opinion then we could ask on the town Facebook Community Page as well as the Council one. If it is a positive response then I think it would show our support as a community for what the Ukrainian people are facing at the moment GBUA. What do you all think?

Kind regards

Mark Hoffmann
