

WEM TOWN COUNCIL

STATEMENT ON INTERNAL CONTROLS 2022/23

SCOPE OF RESPONSIBILITY

Wem Town Council is a local authority funded largely by the taxpayers of Wem Urban which is responsible for ensuring:

- That its business is conducted in accordance with the law and proper standards.
- That public money is safeguarded and properly accounted for and is used economically, efficiently and effectively.

In discharging this overall responsibility, the Council is also responsible for ensuring that there is a sound system of internal control which facilitates the effective exercise of the Council's functions and which includes arrangements for the management of risk.

THE PURPOSE OF THE SYSTEM OF INTERNAL CONTROL

The system of internal control is designed to manage risk to a reasonable level rather than to eliminate all risk of failure to achieve policies, aims and objectives. It can therefore only provide reasonable and not absolute assurance of effectiveness.

The system of internal control is based on an ongoing process designed:

- To identify and prioritise the risks to the achievement of the Council's policies, aims and objectives.
- To evaluate the likelihood of those risks being realised and the impact should they be realised.
- To manage them efficiently, effectively and economically.

The system of internal control has been in place at the Council for the year ended 31 March 2020 and up to the date of approval of the annual accounts and accords with proper practice as set out in the Practitioners' Guide - *Governance and Accountability in Local Councils* (2010 Edition).

THE INTERNAL CONTROL ENVIRONMENT

The Council

The Council reviews its obligations and objectives and approves a budget for the following year at the budget meeting held in January. The meeting of the Council on 20.1.22 approved the level of precept for the 2022/23 financial year.

The Council has appointed a Finance & Corporate Governance Committee. The Committee has met four times in the year since 1.4.22.

Members of the Committee monitor progress against objectives, financial systems and procedures, budgetary control and carry out regular reviews of financial matters. It also drafts the annual Internal Audit Plan for approval by the Council. The Council reviews the Council's Standing Orders and Financial Regulations at least annually.

Draft minutes of committee meetings are circulated to the next full council meeting and any recommendations within the minutes are considered.

The Full Council meets monthly each year (except August). It considers the monthly budget report and considers relevant reports from the Finance & Corporate Governance Committee and the Town Clerk.

Financial Regulations set out the requirements for the conduct of the Council's financial management. The Council carries out regular reviews of its internal controls, systems and procedures. The Standing Orders and Financial Regulations were reviewed May 2022 and October 2022.

Town Clerk / Responsible Financial Officer

The Council has appointed a Town Clerk who acts as the Council's advisor and administrator. The Town Clerk is also the Council's Responsible Financial Officer. The Project and Finance Assistant assists with the administration of the Council's finances. The Town Clerk is responsible for advising on the day to day compliance with laws and regulations that the Council is subject to and for managing risks. The Town Clerk also provides advice to help the Council ensure that its procedures, control systems and policies are adhered to.

Payments

All expenditure must be authorised by the Council and within the budget set by it.

Payment of invoices

Accounts are paid primarily by internet payment with some cheque payments which are signed either at or after Council meetings. A report is presented to each Councillor at the meeting detailing every account to be paid against the Cheque/BACS No., with a brief description of the payment and amount to be paid. Any payments made in advance of the meeting under delegated authority are reported at the next available meeting.

New suppliers

If an internet payment is to a new supplier the Clerk will supply a copy of the invoice with the bank details highlighted to Councillors who are able to authorise BACS payments so that they can check the supplier bank account number prior to authorisation. Councillors will initial the invoice to show they have done this. The Project and Finance Assistant will telephone all new suppliers to confirm account details against those shown on the invoice.

Internet payments are uploaded to the Unity Trust Banking System and each transaction number noted on the invoice. Councillors do not authorise internet payments until after the payments have been approved at the monthly full council meeting. All invoices are numbered and scanned to councillors along with a screenshot taken of all payments awaiting authorisation on Unity Trusts payment authorisation page of the website and this is sent to all signatories for checking amount and bank account detail against invoices prior to authorisation.

Cheque payments The Clerk prepares all the cheques for signature at the meeting these are then signed by two account signatories. The amounts on the cheques are checked against the amount shown on the finance meeting paper and invoice. Councillors, if in agreement, will then sign the cheque and initial the cheque stub and appropriate invoice.

A hard copy of all invoices is held in an accounts file in the office which can be viewed by councillors if needed. A copy of the screenshot of Unity Trust Bank's Awaiting Authorisation page for each month is also held in the accounts file.

All payments made are included in the minutes for the relevant month and approved by the Council in the usual procedure; payments will include a minute number if appropriate.

No member of staff of the Council can make payments (other than out of petty cash) or sign cheques. Only the Clerk is allowed to use the corporate credit card.

The Mayor checks the monthly bank reconciliation and petty cash reconciliation and signs the bank statements to prove they agree with the reconciliation, this is then reported monthly to the Town Council.

BUDGET

In the autumn of each year Members are asked to consider the following Financial Year's budget, projects, schemes, running costs etc.

In January of each year Members agree the budget for the Council and this is duly minuted. A copy of the agreed budget is distributed to all Members and a copy is kept in the Minute File and taken to all Council meetings.
