

Standing Order Payment for Toilet Cleaning

The Council has entered a three-year contract with DANFO for toilet cleaning services. The annual cost of the contract is £12,350.91 plus VAT, broken down into equal monthly payments of £1,235.09.

As the payments will never vary it is recommended that they are made by standing order, with the first payment leaving the account on 28th August 2025 and the final payment being made on 28th May 2028.

The Standing Order will be approved once by signatories. In subsequent months it will be reported to Council in the same way as direct debits.
