13th March 2026

Dear Wem Town Council

The Wem Life Committee would like to thank you for the kind and generous grant for the Summer Reading Programme, as you may be aware Shropshire Council has now allotted funding for this project and therefore the grant that you have awarded us is now no longer required for that purpose.

However, that said, this year's Reading Challenge is to incorporate Music and Reading, the Wem Life Committee would love to be able to provide a musical themed event for the participants of the challenge using an outsourced performer, this would cost £150 per session (2 or 3) that could take up to 20 children per session, and also sponsor the book hunt from Osbourne books at £50, so we would like to retain the grant awarded to be able to provide this if possible.

Kindest regards

A Thompson
Chairperson
