

Use of Multi pay card

The Town Council does not have a specific policy on the use of the multi pay card.

Having discussed with other councils who have similar cards they also do not seem to have a separate policy, as the matter is covered by financial regulation 6.18 below

Extract from financial regulations**6.18**

Any corporate credit card or trade card account opened by the council will be specifically restricted to use by the Clerk and shall be subject to automatic payment in full at each month-end. Personal credit or debit cards of members or staff shall not be used under any circumstances.

It is up to The Council to decide whether it requires a separate policy for the management of this card or whether it feels that the financial regulation above is sufficient.
