A representative from Wem Civic Society raised the issue of planning in the town and in particular Edinburgh House. They reported that it was the view of residents that demolition of Edinburgh House was unnecessary and would be a waste of

resources. There is a concern that along with Minton House this area could become very run down and an eyesore very quickly. The area could be used as community space, provide a home for the library and a civic centre and expand the school. There is also a need for more green space in the town and a community consultation should take place.

The White Horse continues to cause a problem Shropshire Council should sort it out, could the Council purchase it.

A member of the public raised concerns about the proposals for Edinburgh House and the lack of community consultation that has taken place on this matter.

A member of Wem Civic Society raised issues about the impact of HGV's on roads especially Aston Street which is extremely poor.
