WEM TOWN COUNCIL

STATEMENT ON INTERNAL CONTROL 2017/18

SCOPE OF RESPONSIBILITY

Wem Town Council is a local authority funded largely by the taxpayers of Wem Urban which is responsible for ensuring:

- that its business is conducted in accordance with
- the law and proper standards
- that public money is safeguarded and properly accounted for
- It is used economically, efficiently and effectively.

In discharging this overall responsibility, the Council is also responsible for ensuring that there is a sound system of internal control which facilitates the effective exercise of the Council's functions and which includes arrangements for the management of risk.

THE PURPOSE OF THE SYSTEM OF INTERNAL CONTROL

The system of internal control is designed to manage risk to a reasonable level rather than to eliminate all risk of failure to achieve policies, aims and objectives. It can therefore only provide reasonable and not absolute assurance of effectiveness.

The system of internal control is based on an ongoing process designed:

- to identify and prioritise the risks to the achievement of the Council's policies, aims and objectives
- to evaluate the likelihood of those risks being realised and the impact should they be realised
- to manage them efficiently, effectively and economically

The system of internal control has been in place at the Council for the year ended 31 March 2017 and up to the date of approval of the annual accounts and accords with proper practice as set out in the Practitioners' Guide - *Governance and Accountability in Local Councils* (2010 Edition)

THE INTERNAL CONTROL ENVIRONMENT

The Council

The Council reviews its obligations and objectives and approves a budget for the following year at the budget meeting held in January. The meeting of the Council on 14th January 2016 approved the level of precept for the following financial year.

The Council has appointed an Finance & Corporate Governance Committee. The Committee met five times in the year ending 31 March 2017.

Members of the Committee monitor progress against objectives, financial systems and procedures, budgetary control and carry out regular reviews of financial matters. It also drafts the annual Internal Audit Plan for approval by the Council. The Committee reviews the Council's Standing Orders and Financial Regulations at least annually.

Minutes of the meetings of the Committee and any recommendations are circulated to and approved by the Council.

The full Council meets monthly each year. It monitors progress by receiving relevant reports from the Finance & Corporate Governance Committee and the Town Clerk.

Financial Regulations set out the requirements for the conduct of the Council's financial management. The Council carries out regular reviews of its internal controls, systems and procedures. Updated financial regulations were adopted in September 2016
The Standing Orders were reviewed May 2016 updated in September 2016

Town Clerk / Responsible Financial Officer

The Council has appointed a Town Clerk who acts as the Council's advisor and administrator. The Town Clerk is also the Council's Responsible Financial Officer and is responsible for administering the Council's finances. The Town Clerk is responsible for advising on the day to day compliance with laws and regulations that the Council is subject to and for managing risks. The Town Clerk also provides advice to help the Council ensure that its procedures, control systems and policies are adhered to.

Payments

All expenditure must be authorised by the Council and within the budget set by it.

Accounts are paid primarily at Council meetings. A report is presented to each councillor at the meeting detailing every account to be paid against the Cheque/ BACS No., with a brief description of the payment and amount to be paid. Any payments made in advance of the meeting are reported at the next available meeting.

At the meeting the Clerk takes the account file so that Members can see every invoice received included with the invoice will be the quote for the works if necessary. The Clerk prepares all the cheques for signature at the meeting these are then signed by two of the Council Members. The amounts on the cheques are checked against the amount shown on the meeting paper and invoice. Councillors, if in agreement, will then sign the cheque and initial the cheque stub and appropriate invoice.

If a BACS payment is to be made the amounts on the invoice are checked against the amount shown on the meeting paper and payments. Councillors, if in agreement, will then sign the invoice and authorise the payment on the Town Council's internet banking system. Councillors will also check that bank details on the invoice of every new company organisation to be paid correspond to the account details uploaded onto the internet banking site. Councillors will also then sign the invoice next to where the bank account details appear. All payments made will be included in the minutes for the relevant month and approved by the Council in the usual procedure; payments will include a minute number if appropriate.

No member of staff of the Council can make payments (otherwise than out of petty cash) or sign cheques.

The Mayor checks the monthly bank reconciliation and petty cash reconciliation and signs the bank statements to prove they agree with the reconciliation.

BUDGET

In the autumn of each year Members are asked to give consideration to the following Financial Year's budget, projects, schemes, running costs etc.

In January of each year Members agree the budget for the Council and this is duly minuted. A copy of the agreed budget is distributed to all Members; a copy is kept in the Minute File and taken to all Council meetings.

Expenditure is agreed in accordance with the budget remit and is duly recorded and minuted. The Clerk quarterly produces details showing all expenditure against the budget to ensure that the Council are 'on-track' with spending.

Contracts

The Council's Standing Orders and Financial Regulations set out the tender or quotation requirements for contracts of differing amounts. These are reviewed annually in accordance with the Audit Plan timetable.

Donations to Groups/Organisations

Requests for donations are considered in January of each year to be paid in the April of each year. In special circumstances the Council will consider the merits of granting a donation to a local group/organisation who request an award at other periods in the year.

Recording Of Accounts – Clerk's Procedure

For every payment made the Clerk has a file showing the payments made each calendar month. On the file a copy of the bill is kept, plus a copy of the order, delivery note and any receipt for the payment that is received back along with any quotes. In the same way the Clerk records Receipts received and these are recorded in the minutes also.

All payments and receipts are entered on to a computerised Rialtus system every month after being approved at the meeting.

Bank Procedures

Bank statements for all accounts are received monthly and the Clerk does a bank reconciliation for all accounts every month. As part of the Council's internal audit procedures a nominated councillor carries out a full reconciliation each quarter and reports their findings to the next council meeting.

Receipts are paid into the bank as quickly as possible to maximise the Interest payable. Staff follow the Town Council's cash handling procedures for the banking of cash from the public toilets and allotments.

VAT

All VAT paid is entered onto the accounting system. A claim is made every quarter to the Customs and Excise Office for VAT paid in the previous three months and all payments made are directly credited to the Councils Current Account. The Claim shows a brief detail of the payment, VAT claimed and suppliers VAT Registration No. The accumulative total of VAT should balance with the VAT on the Payments Ledger; this provides a double check that the correct VAT is being claimed.

Staff Salaries and Travel Expenses

The details of the agreed Salary are recorded in the appropriate minutes accordingly; a copy is also kept separately in the staffing files. The Clerk is responsible for updating Shropshire Council payroll with any changes to staff hours.

Staff makes out a mileage sheet monthly detailing journeys made on behalf of the Council. Mileage is paid at 40p per mile.
