

Wem Area Climate Change Forum 20.11.19

1. Welcome and Introductions
2. Appointment of a Forum Chairman and Secretary
3. Update from the Town Council on its Action Plan to become Carbon Neutral by 2030
4. What does the Forum want to achieve? – Discussion session to consider the role of the Forum and to discuss any projects and initiatives that it might want to pursue

Suggestions received before meeting

- Becoming an Earth Protector Town or Plastic Free town
- Developing a group to look at creating local food policy
- Areas for increased tree planting in the Town
